Research Development's role

NU-RES Administration

- As required by federal regulatory agencies, NU-RES Administration conducts institutional review of all proposals submitted on behalf of NU to confirm:
 - Compliance with funding agency requirements
 - Compliance with NU policies
 - Commitments on behalf of NU (cost share, space, personnel, etc.)
- Reviews and negotiates terms and conditions of all research-related agreements (e.g. sponsored research, Data Use, Non-Disclosure, Material Transfer), and signs agreements on behalf of NU
- Responsible for non-financial matters during the life of an award, through closeout:
 - Issuing subawards to collaborating institutions
 - No Cost Extensions
 - Prior approval requests
