Where to Learn More: Join the Brown Bag sessions or send questions to Alex and Chelsea! URL tbd

Compliance

Research Security Training

What: Implementation of Federally Mandated Research Security Program Training

Timeline: TBD, likely by end of CY 2025

Impact: Federally funded researchers, staff & students will be required to complete training on research security

Where to Learn More: <https://nu-res.compliance.northeastern.edu/>

Department of Human Research

What: Overview of HSR, post approval monitoring, and additional regulations for considerations

Timeline: Fall 2024 & Spring 2025

Impact: New NU researchers, first-time users, graduate students (strongly recommended)

Where to Learn More: hsrp.research.northeastern.edu/

Global Academic and Research Safety

Safety Assurance

What: Academic and Research Safety Assurance Program

Timeline: Ongoing

Impact: Improved culture of safety

Where to Learn More: TBD

IACUC

IACUC/IBC Software System

What: Implement a comprehensive software platform for the IACUC, the IBC, DLAM, and Radiation Safety.

Timeline: If funded, we will purchase in Fall 2024 and plan to have fully implemented by Fall 2025.

Impact: The platform connects the compliance and operational aspects of the IACUC, DLAM, the IBC, and Radiation Safety.

Where to Learn More: TBD
